After ticketing

Resident to fight city about swale

By JIM CARRAVALLAH
Of The Roman Staff

City officials and one resident of the Washington Park Subdivision in southern Romulus will find themselves in the 34th District Court after receiving a ticket for blocking that swale.

Lucian Zawalich, a 2-year resident of Romulus, will test the city's right to oversee a drainage swale behind his home in the 34th District Court after receiving a ticket for blocking that swale. Zawalich was ticketed last week for

planting a shrub in a drainage swale running behind his home at 15689 Sandburg, despite warnings by city building inspectors to leave the drainage easement way vacant. However, the homeowner contends that any drainage problem facing him

and his neighbors is the result of negligent building inspectors rather than any action of his own.

"I've been in this city for the past two years and now I want to move because of the treatment and the problems caused by the city at my home," Zawalich said. "There are eight people on my block who haven't finished their backyards because of poor drainage in this area, so I can't be all wrong."

Zawalich admits he has been the most vocal of the neighbors protesting the problem.

The homeowner, who bought his home new from Republic Builders shortly after the subdivision was completed in the Middlebelt-Eureka roads area of the city, claims that the design of a drainage basin running along the eastern edge of his property and that of his neighbors is faulty.

"There are only two basins to drain a large number of homes and 39 acres of farm and wooded land," Zawalich said. "One of the basins doesn't work, so the water backs up, sometimes as deep as three feet directly behind my yard."

The resident claims he isn't as concerned about the standing water as he is about a power circuit and transformer installed at the rear of his yard, less than three feet from the drain.

"The transformer has shorted out on several occasions, and I'm afraid some kid in the neighborhood will be fried on the fence one day because of electricity being conducted by standing water," Zawalich said.

However, Romulus Building Department Director Howard Letheman maintains that the transformer isn't a danger, and that any drainage problems behind Zawalich's home are of his own making.

"We've been warning the man for some time to refrain from blocking the easement," Letheman said. "But he planted the tree, leaving the large root ball most of the way out of the ground and then mounding dirt around it in the swale."

"The city maintains that this constitutes a blockage of a drainage way, causing problems for neighbors."

Letheman said that the drainage basin is sufficient to drain both the farmer's field and the homes abutting it, if it is cleaned regularly.

"But there has been a problem with leaves flowing over the basin and cutting down on its efficiency," Letheman said. "All the homeowners has to do in that case is call the city, and it will be cleaned as quickly as possible."

Zawalich maintains that he has called the city to clean the drain, only to see city workers stand around the ponding and refuse to work on the drain because of the proximity of the transformer.

"I've been told that I have to do my part with the drain," Zawalich said. "But the workers won't go near it because of the electricity."

Letheman said that Detroit Edison workers have come out to clean the drain, and suffer no ill effects.

A little comfort

Robert Storck, 5, anticipates the "ouch" of the tetanus shot he's receiving as part of the Huron Healthorama while Huron High School Health Occupational student Dawn Williams comforts him. Robert was one of hundreds of residents who took part in the annual event sponsored by the

Huron Health Committee last week. The healthorama was set up by the voluntary health committee to insure that area residents receive adequate health care. The healthorama has been running for nearly 10 years. — The Romulus Roman photo.

Serious fun

A licensed practical nurse, Grace Kyko, checks Veronica LaRoy's blood pressure during the Huron Healthorama sponsored by the Huron Health Committee. The blood pressure test was one of more than 20 tests, examinations, and inoculations available during the healthorama at little or no cost to residents. Five

doctors and 14 nurses, such as Mrs. Kyko, donated time to work in the project. The serious health business also was fun for 1-year-old Rachel Davies and Tonia Evoc, 6. Many volunteers donated their time to entertain the youngsters during the healthorama. The Romulus Roman photos.

Helping hand

The job was one of the first chosen by the Romulus Bicentennial Commission to

emphasize the history of the city. The Wayne Fire Department lent an "assist" by sending its heavy hook and ladder truck to the site for the Bicentennial Commission. — Photo by The Romulus Roman Chief Photographer Lothar Konietzko.

Bicentennial workers seeking 'seal' entries

Residents of Romulus have until May 12 to enter their offerings in the Romulus Bicentennial Committee's "Bicentennial Seal" contest.

Contest sponsors are looking for an emblem to be used at all official Bicentennial functions and on all Bicentennial stationery.

The winner of the contest will receive a \$25 savings bond donated by the Manufacturer's National Bank.

Donna Lee Zavitz, contest co-chairman, said that the contest committee already had received 25 entries, and that she expects more before the final deadline.

"I think it's a good way to display community spirit and the people realize this," she said. "The 25 entries are more than the city's seal contest had five years ago."

Entries in the contest should be on 8- by 11-inch paper with the designer's name, address and phone number on the back.

All entries should be designed in red, white and blue colors.

The winning entry will not only decorate Bicentennial functions, but also be used as a design for Bicentennial patches to be sold by the Bicentennial Committee as a fundraising project.

"It will be quite an honor to the winner of the contest," Mrs. Zavitz said.

The Bicentennial Committee has been busy planning events for the celebration of the nation's 200th anniversary of independence in 1976.

Plans call for participation in the Wayne County Bicentennial Parade, the planning of an annual community-wide picnic and historical displays on the heritage of Romulus at the Romulus Community Market this and next summer.

"The idea of the program is to make the Bicentennial a community function which draws the community together,"

Mrs. Zavitz said. "The committee is working hard on the picnic plans."

The first annual Romulus city picnic will be held Aug. 24 at the Elmer Johnson Park on Ozga Road north of the I-94 this year. Plans call for community-wide participation by individuals and service clubs to help all residents of the city learn more of their neighbors.

Doug Baum and Dave McCrory are co-chairmen of the picnic.

Plans also are being made for a July 4

city parade featuring marching band, floats, Romulus Civil Defense marchers and a display of old cars by the Roadsters under the direction of Ron Makino.

Historical displays include demonstrations of quilting, weaving and spinning at the Romulus Community Market on Saturdays at the Romulus City Hall.

Display committee members are hoping for events to be scheduled at least twice each month.

South band -- 1 of best

Members of the Romulus South Junior High School Symphonic Band are among the best performers in the state.

The 79-member band walked away with Class A "first division" honors after state competition Saturday at Howell High School.

"It's the first time a school in Romulus has ever made the first division in band competition," said Richard Kruse, band director and head of the music department for Romulus schools. "I'm quite proud of the students and think everyone should know of them."

The South Junior High School band was entered into competition with more than 400 "Class A" schools from throughout Michigan in the month-long judging.

In March the school was cited as a "first division" winner in a 23-school competition in Saline, and continued taking honors at the state competition.

"Although the exact standings aren't tallied yet, being in the first division means the band is one of the top 10

junior high bands from throughout the state with schools of top enrollments," Kruse said. "That's quite an accomplishment for these kids, considering that South Junior High has only seventh and eighth grade students."

Included in the band's make-up were 38 seventh grade students, 39 eighth grade students and two students from the sixth grade at Romulus Elementary School.

"These students started out the year by performing compositions from Class

B and C in their Christmas concert to go on to Class A compositions in the state competition and taking top honors," Kruse said. "I'm just completely overjoyed and think it's fantastic."

In the final competition, the junior high bandmembers were asked to play a march and a song of their own choice, another required song and to sight read a march and concert performance without practice.

The performers chose to play "March Triumphant" by Hector Berlioz and the "Prelude in B Flat Major" by Johannes Sebastian Bach.

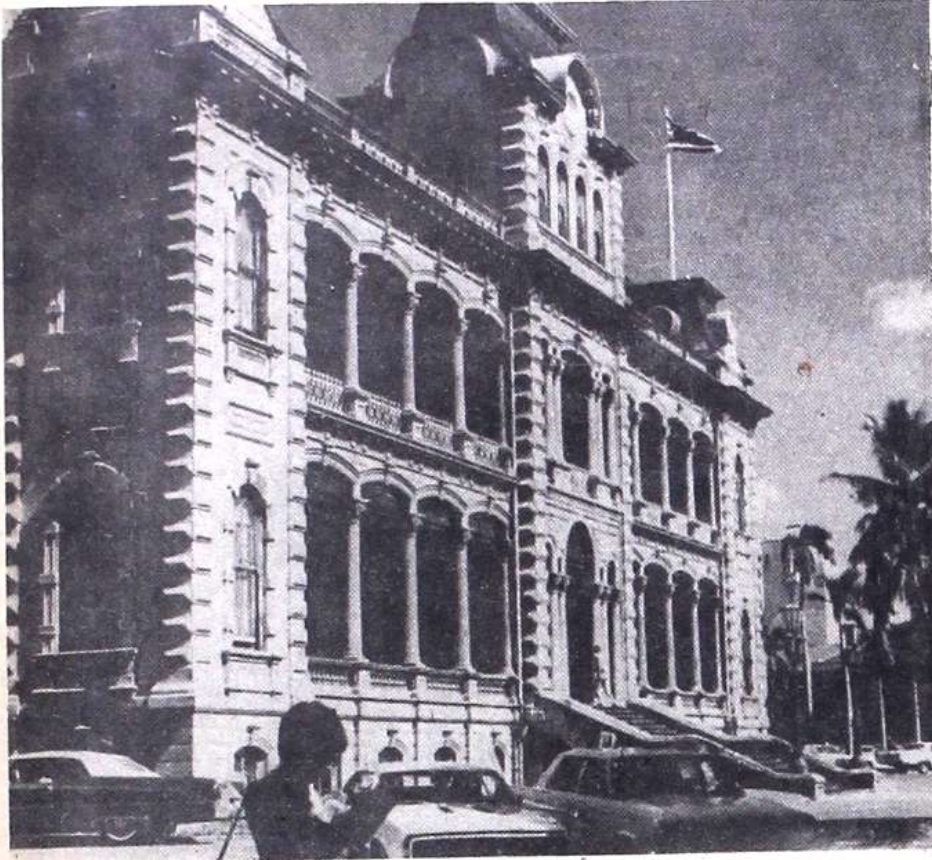

They were required to play "Dorian Overture" by Maurice Whitney and to sight read the march "Legionnaires on Parade" and the concert number "Holiday in London" to round out the performances.

"I didn't realize how difficult the competition would be until they got to the sight read number," Kruse said. "Legionnaires on Parade" was one of the songs required of Class C and D high schools in that division of the competition."

Honolulu

Las Vegas

Fall tours? Plan now, travel west

Do the enchanted Hawaiian Islands of waving palm trees and pounding surf titillate your fantasy? Or are Hollywood and the entertainment strip of Las Vegas more to your liking?

Both are within easy pocketbook reach with two fall tours sponsored by The Daily Eagle, Associated Newspapers and American Airlines.

A 16-day Hawaiian Holiday for \$736 per person will leave Nov. 8 for Waikiki and Honolulu. A 9-day Golden West Tour to California and Las Vegas for \$349 leaves Sept. 27.

The all-inclusive tour price includes air fare, first class hotel accommodations, sightseeing excursions, baggage handling between airports and hotels, the services of a professional guide and tips.

All who reserve seats on tours are guaranteed departure on a scheduled American Airlines flight. A \$25 deposit is all that is required. The complete fare is fully refundable up to the day of departure.

The Daily Eagle, Associated Newspapers and American Airlines will co-host a free travel party tonight, featuring travel tips, movie and slide presentations, guest speakers, door prizes and refreshments. All who may be interested in the tours are invited to attend.

The parties will be held in Zuccarri's Holiday House, 16 Mile Road at Groesbeck. The Golden West Tour party meets at 7 o'clock and the Hawaiian Holiday Tour at 8:30.

Interested groups unable to attend the travel parties may request a special presentation before their group from The Daily Eagle

and Associated Newspapers. The tours will be professionally escorted on planned sightseeing tours and optional excursions, but tourists will be free to sightsee or relax on their own if they prefer.

The 16-day Hawaiian Holiday will leave Detroit Metropolitan Airport Nov. 8, for a week in Waikiki. Along with the traditional flower lei Aloha greeting will be an Aloha welcome cocktail party soon after arrival.

Tours to make James Mitchner jealous will be made of the city, royal palace, volcanic craters, muu muu and woodcraft factories, international marketplace, Pearl Harbor cruise and a Hula show.

A 2-day visit will be made to the garden isle of Kauai with a trip down the Waialua River to the Fern Grotto.

The tour includes a stay at Maui, the valley island with excursions to the mysterious Iao Valley and the old whaling capitol of Lahaina. Tourists will stay at the famous Kaanapali Resort, and will be treated to a beach party picnic.

At Hilo and Kona on "the big island" of Hawaii, tourists will visit the world famous orchid gardens, black sand beaches and volcano national park. A scenic drive will take the

tourist down the Hamakua Coast to Thurston's Lava Tube, Giant Fern Tree Forest and Famous Volcano House, the Banyon Tree Drive and Rainbow Falls.

A torch lighting ceremony will highlight the stay at Kona.

The flight will return Nov. 23.

The \$736 fare is based on double occupancy. Single occupancy runs \$866.

The 9-day Golden West Tour to Los Angeles, Palm Springs and Las Vegas leaves Detroit Metropolitan Airport Sept. 27.

Excursions are planned to Disneyland, Calico Ghost Town in the foothills of Death Valley, Universal Studios and a Home of the Stars tour through Beverly Hills.

Optional excursions are offered to Chinatown, Marineland, Busch Gardens and an all-day "Old Mexico" tour to Tijuana and the famous Mission of San Juan Capistrano.

The plane returns Oct. 5. The \$349 cost is based on double occupancy. Single rooms bring the fare to \$405.

Students present musical

VAN BUREN TOWNSHIP — A Van Buren North Junior High School teacher said that students in the musical "You're a Good Man Charlie Brown" will learn more than performing once the play is presented this weekend. Frank Hill, a social studies instructor who directs the musical — the first ever in a Van Buren junior high — said that the self confidence students will learn by performing in the play will help them in their studies.

Resident fights City Hall

VAN BUREN TOWNSHIP — Township officials received some backing in their plan to wrest control of the Willow Run Airport from the Wayne County Road Commission. State Rep. Gary M. Owen (D-22nd District) and State Sen. William Faust (D-13th District) introduced joint resolutions into the State Legislature urging legislative approval of plans for a 3-community commission to oversee the airport. Van Buren Township, Ypsilanti and Ypsilanti Township would join in the commission.

City, township plan history

BELLEVILLE-VAN BUREN TOWNSHIP — Officials of both communities have agreed to work together on forming a history of the former Van Buren Township area. Plans call for interviewing older area residents on past events and recording the interviews on tape.

Hearing on zoning to be held

The Romulus Planning Commission will be holding a public hearing on another request to rezone land on Wayne Road for a shopping center.
Known as the Wickway Plaza, plans call for building a 130,000 square foot shopping plaza on a 20-acre commercial site and a senior citizen high rise complex on a 10-acre site of land now owned by the Shady Hollow Golf Course.
The hearing, scheduled for 7 p.m. May 19, will allow citizens to air opinions on rezoning the golf course from a single family home designation (R-1-A) to a commercial center zoning (RC).

County may continue protection

The Wayne County Board of Commissioners apparently will act tomorrow to extend county-financed police protection in seven townships.

The Ways and Means Committee recommendation on extending for 90 days protection in the townships of Brownstown, Canton, Huron, Northville, Plymouth, Sumpter and Van Buren passed without dissent at a meeting April 24.

The Ways and Means Committee consists of all 27 members of the full board of commissioners and recommended action on items to be decided at the regular board meeting.

The pending action tomorrow will see the county appropriate \$467,000 to finance a 24-hour per day, 7-day per week patrol of the seven townships by a 28-man sheriff's road patrol force for the next 90 days.

The extension of the service apparently will be implemented to "buy time" for a 3-member committee of the Board of Commissioners to negotiate a sharing of the cost of road patrol protection with the townships which require it.

The county has been trying for the past three years to obtain a form of contract arrangement with township's requiring sheriff's protection so funding for the

28-member road patrol need not come from the county general fund budget.

However, townships involved in the matter have fought the move, contending that the county has the legal responsibility to patrol townships in the absence of a township police force.

A Wayne County Circuit Court judge has ruled that the county commissioners are "free to exercise their discretion" on the road patrol question.

At a meeting between the 3-commissioner negotiation committee and township officials April 22, township officials expressed a reluctance to enter into any

agreement at this time for fear it would prejudice an appeal of the Circuit Court

judge's ruling to the Michigan Court of Appeals. Funding of the road patrol

service was to expire tonight but apparently will be extended in action tomorrow.

Problem nearing solution

The Romulus City Council and residents of the Wincliff Subdivision appear to be headed toward agreement on a low-cost means to solve a drainage problem on Michelle, Marc and Julie streets.

The City Council and residents of the area met Monday night to air differences over a plan to install a drainage system at the rear of lots on the three

streets to draw off standing water which residents fear is a health and safety hazard.

Tentative plans call for installing a gravel-filled basin with drainage pipe underneath to carry water to drainage sewers in the neighborhood.

The meeting was set up by Tom Anderson and Tom Panian, area residents, to help those affected by the problem avoid a possible

\$570-per-lot assessment to solve the problem with a plan recommended by the Romulus city engineer.

Romulus Mayor Pro Tem Beverly McAnally said the council appears to favor the solution, which would include city participation in engineering the drainage scheme for the lots.

"With this problem heading toward solution, I think the council also will consider incorporating language in an ordinance which will help us avoid similar problems in the future," Mrs. McAnally said. "Right now, I'm thinking of something like requiring rear-lot drainage in all subdivisions to insure there is no standing water in the future."

South band among best

(Continued from Page A-1)
Kruze said the state competition is the end of the official season for the members of the band, but that they're practicing now for their annual spring concert scheduled for June 4 at the school.

"I'm hoping the community will get out to the concert to see how good these students are," Kruze

said. "The admission is complimentary, and the performers are judged as quality against the state standards."

"It should be an enjoyable concert."

As we see it

System will work

Some economists have complained to the American Society of Newspaper Editors that reporting of economic news is so laced with gloom and doom that it is undermining America's confidence in the future, thus holding back recovery from recession.

Almost as they spoke, the nation's newspapers were reporting that housing starts declined again in March, and that the gross national product had dropped by 10.4 percent in the first quarter, the steepest decline since 1946.

This was not the kind of news an optimist would have hoped for, but newsmen have to tell it like it is. We also would submit that Americans are worried less about the current pace of business as reflected in the economic indicators than they are about the prospects for more inflation in the future.

Opinion polls bear out that Americans regard inflation as

our No. 1 economic problem, and their confidence in that regard is affected more by the political news than the economic news, particularly what they read about the tax and fiscal policies of the 94th Congress.

Congress has concentrated on efforts to stimulate the economy through tax cuts and other programs even while a consensus was developing that

forces were at work within the economy pointing to a turn-around this summer.

The decline in housing starts in March does not alter the fact that there is a pent-up demand for housing around the country which can trigger a resurgence in that industry if prices and interest rates can be kept within reasonable range. Despite the first-quarter decline in the GNP, the sold-

down inventories in many industries are setting the stage for an increase in production which will reverse that decline.

Readers of economic news thus have grounds for optimism — or would have if Congress were as concerned about inflation as it has been about recession. While we know enough about business cycles to predict that recessions lead inevitably into recovery, we do not know for sure how an economy heading into recovery is going to behave when the government will be borrowing as much as \$100 billion to pay its bills. It is the question of whether the inflationary force of such deficit financing will derail our recovery that surely accounts for much of the doubt many Americans still harbor about the immediate future.

Our estimation is that the American people have confidence in themselves and their ability to make their economic system work.

For wastefulness

Another 'fleece' award

By TOM OCHILTREE
Panax Washington Correspondent

If the taxpayers knew about it in advance would they approve spending almost \$500,000 in the last seven years to find out what hacks off rats, monkeys

and humans and makes them bite and clench their jaws?

Not likely, thinks Sen. William Proxmire (D-Wis.) the self designated

taxpayers' friend, who combs through the federal budget to find projects which he regards as wasteful and next to useless.

Each month Proxmire picks out one of these zingers for the imaginary "Golden Fleece Award."

Proxmire's choice for April has a Michigan angle. It goes jointly, to the National Science Foundation (NSF), the National Aeronautics and Space Administration (NASA) and the Office of Naval Research.

These agencies distributed close to a half million dollars to Dr. Roland R. Hutchinson, research director of Kalamazoo State Hospital, to finance a detailed study on environmental and psychological causes of aggression, Proxmire said.

Declaring "this nonsense makes me almost angry enough to scream and kick or even clench my jaw," Proxmire, in phrases dripping with gall, went on to criticize the federal government for pouring money into

research that produces the sort of information that is either trivial or something we knew by common sense all along.

Zeroing in on Dr. Hutchinson's research, the senator said: "Last year alone the good doctor spent more than \$200,000 of which more than \$100,000 were federal funds. And what are some of the results reached by these research projects in the last seven years?"

"Dr. Hutchinson told NASA that people get angry when they feel cheated and tend to clench their jaws or even scream and kick."

Proxmire's imaginary award has no direct connection with the ancient legend in which Jason led a band of Greek heroes in the ship "Argo" to bring back the golden fleece.

Come to think of it, though, some scholars might ask the federal government to finance a study to determine how the word "fleece" in the Jason story came in modern times to mean getting nothing for your money.

Stewart upsets six of Romulus

To the editor: As citizens of Romulus we feel compelled to express our opinion on the remark made by Councilman James Stewart, printed in the April 16th edition of The Romulus Roman.

In the article he stated that he "feels no moral obligation to pay taxes if I'm not billed for them."

Mr. Stewart was aware taxes were owed but chose to ignore the oversight. This remark is outrageous coming from a man who should be setting an example for the people of Romulus.

If a councilman feels such a lack of moral obligation to the community he represents, he shouldn't be a councilman.

I'm sure the people of Romulus will keep this in mind when they go to the polls in November.

Belleville woman writes sight poem

To the editor: I shall look forward to seeing my poem published in The Belleville Enterprise.

"Oh, to be able to See"

Oh, to be able to see the fresh, new bright, budding spring; to see the wild flowers of the Jack-in-the Pulpits bursting into bloom; to see the animals among the thick green ferns, and the tall redwood and silvery pine trees in the forest, spreading their huge limbs over God's woodland of mystic hue.

Oh, to be able to see the deep, blue rivers flowing down around this sandy yellow land so sublime. If I could just see for a moment the faces of my loved ones, to reassure me of the love and trust in their eyes, the sparkling new, wet dew in the early dawn of morn. Oh, to see a bright new sunrise!

To be able to see the huge fluffs of white clouds drifting, as the wild birds' flying steps take them up, up, high into the beautiful untouched sky. To watch the dark inessants of night taking shape, as the mysteries of light and darkness descend around the cluster of stars, and the rising full orange moon shining from on high.

Oh, to be able to see the array of orange, brown and gold-colored leaves spinning and twisting down the meadow lanes after the first frost of early Autumn has passed by. The Winter's star-like snowflakes falling, cold and serene, casting diamond-like glitter over the corn stacked in the now-barren fields of snow, as if God's hand reached down and touched this land. Tears fill my eyes.

This mother earth is truly a miraculous and magnificent creation if you who have sight would take the time to walk, listen, see and know. Yet, my eyes have never seen. I am blind. My fingers are my eyes, to touch, to trace, to feel. Oh, dear God, to be able to see.

Translation of an article
By ERNST CRAMER
WELT am SONNTAG, April 6
Special to Panax Newspapers

The catastrophe of Vietnam is the gravest defeat the United States has suffered since the Republic was founded 199 years ago. And unless the West, whose foremost power the USA remains, learns the proper lessons, the collapse in Indo-China will be not merely the finale of the tragedy of Vietnam. It will be the prelude to a far greater debacle.

It would be unjust to blame America alone for the breakdown of the South Vietnamese defense machine. President Nguyen Van Thieu and his generals simply have failed. But American officers with long experience in Vietnam had prophesied this: "If we withdraw and abandon the South Vietnamese to their own resources, total collapse will be at best a matter of a few years."

The coup de grace was the decision by Congress to reduce aid for South Vietnam so drastically that it was tantamount to a total cut. When the news reached Vietnam, demoralization hit the army on an unprecedented scale.

But the disaster we now are witnessing had long been programmed: the seed was sown more than 10 years ago when President Lyndon Johnson began escalating the American engagement, at the same time, however, ordering restrictions on his generals in the conduct of the war which made a military victory impossible. The soil was fertilized when the Communist side's skillful polemics about the morality of the fight for Vietnam's freedom even undermined the thinking of America's leaders.

And the seed of defeat began to sprout when Henry Kissinger, then President Nixon's security adviser, negotiated the agreement on withdrawal of US troops and American disengagement began.

It is idle at this date to resume the discussion about whether it would ever have been possible to achieve a military decision in favor of South

Vietnam. But if such a chance never had had credence it would have been a crime to sacrifice even one single life in this struggle. All real experts on the situation, who do not wear political or ideological blinkers, agree on two facts, however. First, that a military victory could have been won, given the courage in the highest places; and second, that many South Vietnamese hoped for such a development for many years because it promised a better future.

All this is now of the past. Communism has won a great victory whose effects reach far beyond Indochina. For the defeat the United States has suffered in this faraway, sorely tried country in Southeast Asia profoundly has shaken the confidence of the free world in the reliability of the leading

power in the West. More; this development has given new courage to the adversaries of America and her allies.

"Today the Vietnamese, tomorrow it will be the Israelis," Arab circles are gloating, and already the chances for progress towards peace in the Middle East have faded into the distant future.

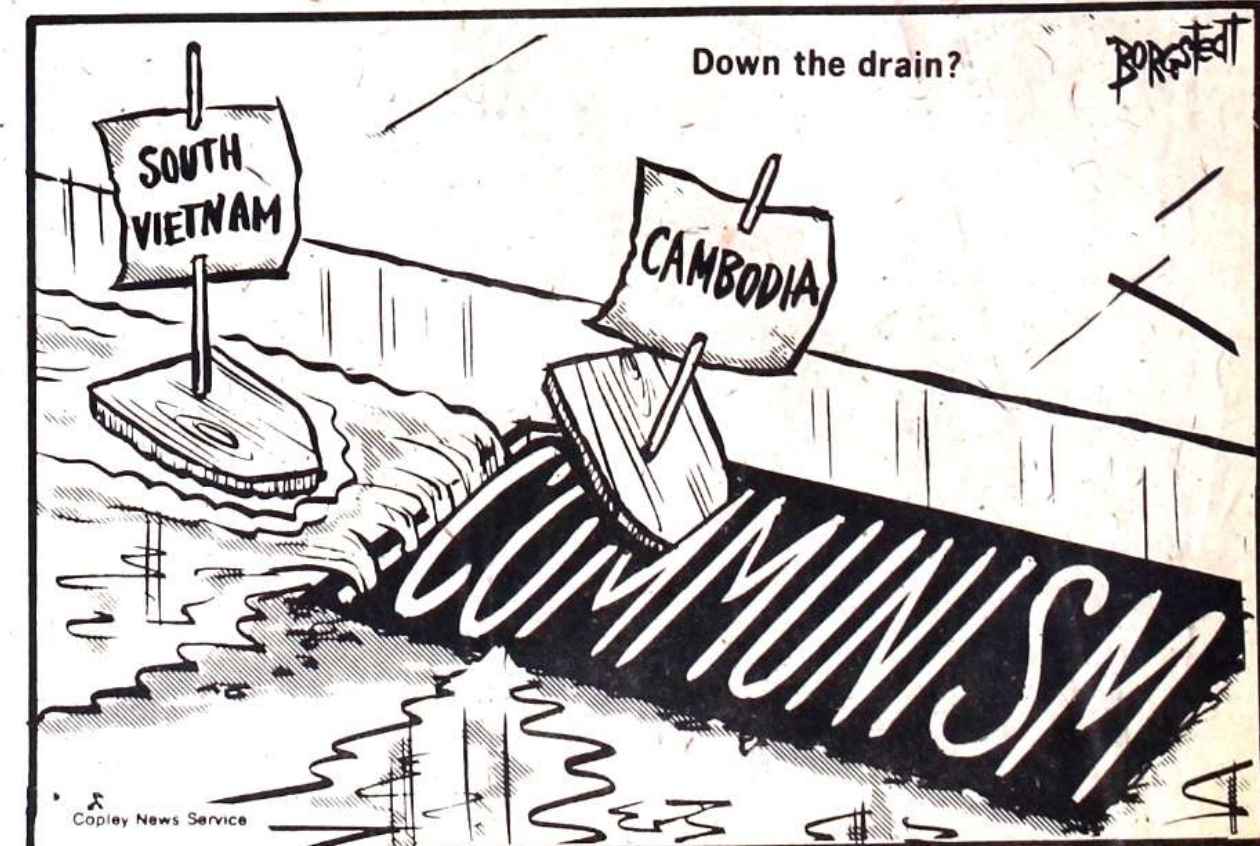

In Moscow too, and in the other control stations of Communist power in eastern Europe, there can be no doubt that the pro's and con's of possible demarches westwards are being weighed up anew. With the collapse in Vietnam some of the security of West Berlin, of Germany and of western Europe has crumbled away.

Mr. Kissinger well knows this. These days he repeatedly harks back to 1914 and fears now as then misun-

derstandings could lead to misjudgements, indeed to a collision between the world powers. But in Congress a mood largely reigns that in the end the embarrassing defeat in Vietnam is a cause for relief. And those publicists who for years have willfully or involuntarily worked to weaken the forces of the free world, applaud enthusiastically.

Since Aristotle tragedy has been followed by catharsis, the process of purification.

Will the Americans, will the other free peoples now awakened to the knowledge that the way so far taken will lead to the abyss? Will they come together and compel their leaders to set new priorities? Only an incurable optimist would answer these questions with an unreserved affirmative.

GIFTS FROM GAMMA GAMMA — The Van Buren School District's materials center is richer by some 15 tapes, films, pamphlets and historical items, thanks to Gamma Gamma Chapter of Alpha Delta Kappa Sorority. Altruistic chairman

Roberta Kettler (left) and her committee decided on a project to benefit their own school district this year. Two other members, Doris Roe (center) and Leona Kozma, were on hand to make the presentation.

Sorority presents gifts to VB materials center

Alpha Delta Kappa has established a new club in the Belleville-Van Buren area, Gamma Gamma Chapter, which is dedicated to furthering education. The local group of the international sorority has been meeting monthly from September

through June for about four years. There are 24 listed on the membership roster, all are in the educational field. This year the group voted to use its funds to do something for its own school district. In the past, profits have benefited other places

and last year went to an impoverished school district in northern Michigan.

Altruistic chairman, Roberta Kettler, and her committee presented a number of new items to the materials center of the Van Buren School District. Fifteen Mike Whorf tapes, including such outstanding topics as "Birth of a Nation; the Voyage of Columbus," "The Man of Steel and Velvet—Lincoln" and "The Making of America" were among the gifts. Also included were a film entitled "It's Easy if You Know How," a British-made Civil War bullet from the battle of Harper's Ferry, an antique milk can, 19th century book-type school slate, pamphlets

on Williamsburg and a cookie cutter in the shape of Michigan of which there are only eight in existence.

Funds to purchase the materials came from club dues and a fining procedure which adds to the kitty. Barbara Boelter currently is president of the chapter.

Army chapel chosen for spring ceremony

Mary C. Dooley and John R. DeMara, who exchanged wedding vows early in April spent two weeks honeymooning at Walt Disney World and Orlando, Fla. before taking up residence at 8577 Richmond Hwy., Apt. 304, Alexandria, Va.

St. Martin's Chapel at Fort Belvoir, Va. was the setting for the 11 a.m. ceremony conducted by The Rev. James M. Kennedy before some 100 assembled guests.

The double ring rite united the daughter of Mr. and Mrs. Vincent M. Dooley of 814 Delchester Lane, Kirkwood, Mo., and the son of Mr. and Mrs. John S. DeMara of 42430 E. Huron River Drive, Belleville.

For her wedding day, the bride selected a princess line gown of white polyorganza styled with an illusion sweetheart neckline and chapel train accented with Venice lace. Her fingertip veil was caught to a pearl headpiece and her bouquet was comprised of white sweetheart roses and baby's breath.

As her sister's honor attendant, Diane C. Dooley of Kirkwood, Mo. donned a sky blue princess line gown designed with a sleeveless bodice and white embroidered eyelet bolero jacket. She wore a white straw hat with a matching blue band and carried yellow and white daisies.

Another sister, Carol J. Dooley of Kirkwood, served as bridesmaid in an identical ensemble. C. David Rogers of Alexandria, Va., was asked to be best man and the bridegroom's brother, Mark

T. DeMara of Belleville, was usher.

The reception which followed was held at Valle's Steak House in Springfield, Va. The bride's mother received 40 relatives and friends in a V-necked pastel floral print gown. Mrs. DeMara, the bridegroom's mother, chose to wear a green double knit A-line gown with matching jacket and accessories. Both women were presented with white orchid corsages.

The new Mrs. DeMara graduated from Ursuline Academy in Kirkwood in 1968 and the University of Missouri in 1972. A registered nurse, she is employed at the U.S. DeWitt Army Hospital at Fort Belvoir. He presently is serving with the U.S. Army and will be released from duty in October.

The rehearsal dinner, hosted by the bridegroom's parents, was held at the Jade Buddha Restaurant in

Happy birthday greetings go to Romulus Sr. Citizens

The Romulus senior citizens, 65 in all, were together April 22 for the regular birthday pot luck party. Honored for their April natal dates were

Roosevelt Martin, Shirley Jean Van Dusen, John James Warren, Nora Jackson, Leona Love, Louise Buczkowski and Alfred Savannah.

Marie De Buyscher, activity coordinator from the Romulus Recreation Department, explained why the bus was no longer available for trips. Because

of a complete break down, bus transportation now will be replaced by volunteer drivers.

Jean Lee, Romulus councilwoman, spoke on the beautification now in progress in the city and asked for help from the entire community as well as the Senior Citizens Club. She said the marigold had been chosen as the official city flower and was also questioned on the proposed senior citizen complex and shopping center.

Hostesses for the party were Sadye Sumpter, Celeste Fisher, Dorothy Anderson and Viola Harris. Sarah Riley won the door prize — pillow cases donated by Mrs. E. Johnson. Bingo and cards completed the afternoon.

Members 80 years or older and those now in convalescent homes to be made non-dues paying life members of the club.

Dorothy La Londe, publicity chairman, reminds Romulus senior citizens that the monthly business meeting is held the second Tuesday of the month and the pot luck birthday dinner on the fourth Tuesday. Other Tuesdays are strictly social gatherings.

Time is your most precious possession. Once tomorrow comes, today will be forever gone. There is no substitute, no replacement. The clock ticks from one quick second to another. No fancy figuring is required to know all of us are allotted 60 seconds a minute, 60 minutes an hour. Until the final heartbeat, no individual gets more. No one gets less.

It bears remembering yesterday's tomorrow is now today and tomorrow will make today another yesterday. Common sense tells us the uncertainties of fate indicate tomorrow may be too late to tackle the job we haven't done...too late to phone a friend...too late to write a letter...too late to make a visit. You rarely regret it when you "take the time"...You can often regret it when you "take your time."

If we may add a personal observation, it is a tragic truth that time runs out for some who really meant to "discuss pre-arrangements" — but "never got around to it". Consequently, loved ones are confronted with needless indecision and confusion when calm and comfort are needed most. In this too, doesn't it make sense to "take the time" — instead of "taking your time"? It is just a suggestion — involves NO obligation, naturally...

Best sellers on shelves at Romulus Library

Some of those best sellers you've been noting each week in the dailies and monthly in the magazines

now are on the shelves at the Romulus Public Library, located just off Goddard Road at 11121 Wayne Road.

Noted author Taylor Caldwell has still another novel to her credit, adding to a lengthy chain of both fiction and non-fiction. Irving Wallace's latest pages deal with a subject dear to his heart, sex, and Susan Howatch has produced another story with a British Isles locale.

Thomas Tryon and Joseph Heller, two more familiar names, come up as well in the fiction area. So hike on over to that new building, browse through the files or book rows and settle down to some fascinating reading during your leisure hours.

ROMULUS LIBRARY

"Glory and the Lightning" by Taylor Caldwell. An historical novel based on the life of Aspasia, the beautiful and intelligent wife of Pericles, and on life in

Athens during the Age of Pericles.

"The Fan Club" by Irving Wallace. Four men kidnap a movie goddess to act out their sexual fantasies.

"Cashelmara" by Susan Howatch. Against the background of rising Irish independence, three generations of the English de Salis family and the women they marry fight to keep the family's great house at Cashelmara.

"Lady" by Thomas Tryon. Lady Harleigh, who reigns lightly over a small town in the early 20th century, lives with a terrible secret.

"Something Happened" by Joseph Heller. Something always is happening to pressured, overburdened and melodramatic Bob Slocum and none of it is good.

"Rosebud" by Joan Hemingway. Five girls —

four of them daughters of the most powerful men on earth — are kidnapped by the Black September.

"American Gothic" by Robert Bloch. Novel based on a bizarre and horrifying series of murders that oc-

curred in Chicago during the 1893 World Fair.

"The Motherland" by Gwen

Davis. Novel of the world of money, position and power that was the American dream of the 50's.

BASKING IN THE SUN — Enjoying a brief respite from the recent dismal, cold weather were Mr. and Mrs. John D. Lochrie of E. Huron River Drive, Belleville. The couple vacationed recently in Del Webb's Resort-Retirement Community in Sun City, Ariz.

Marie Wilson presented Amvet Auxiliary honors

Amvet Auxiliary Post No. 171 staged a testimonial dinner recently in honor of Marie Wilson, outgoing state Department Amvet Auxiliary president.

Among those honoring Mrs. Wilson at the dinner held at Roma Hall in Livonia, were State Department Commander Stanley Curry and Mrs. Curry from Grand Rapids and State Department Senior Vice-Commander Edward Mandall and Mrs. Mandall of Detroit.

Mrs. Wilson, who resides at 6766 Morton Taylor Road, Belleville, is a charter member of Wayne-Westland Amvets Auxiliary and was its first president 21 years ago. She has held most major offices in District No. 1 as well as on the state department level. She was elected department auxiliary president in Detroit in 1974 and is a life member of Amvets Auxiliary.

Active in hospital service work, Mrs. Wilson will tally 300 hours as a hospital volunteer worker next month. She has selected the Civitans Special Olympics

for the mentally retarded as her special department project.

Mrs. Wilson has lived in

the community for 29 years and is a member of St. Mary's Catholic Church of Wayne.

Health unit head cited for non-smoking battle

The director of the Wayne County Department of Health, has been recognized for his "outstanding efforts on behalf of non-smokers' rights" by the Southeastern Michigan Council on

Smoking and Health. Dr. Perry Stearns was awarded a citation of merit by the council, which represents 23 community organizations, by Douglas Vilnius, the council chair-

man, at a meeting of the Wayne County Board of Health.

Stearns recently prohibited smoking in the lobby and other public areas of the health center in Westland and gave center employees the right to request that the no-smoking rule be observed in their work areas. He also directed

employees not to smoke in public view in the building. Under his direction, the health department also is sponsoring its first smoking withdrawal clinic in cooperation with Wayne County General Hospital which adjoins the center, located on Merriman north of Michigan Avenue in Westland.

The clinic will be held from 5 to 6:30 p.m., June 2 to 6 in the hospital lecture hall. It will be conducted by Dr. Arthur Weaver of the Veterans Administration

Hospital in Allen Park, who has conducted a number of smoking withdrawal clinics. There will be no charge, but participants will be invited to make a donation to cover

the cost of materials. Dr. Stearns issued his smoking regulations last December. He cited a 1972 U.S. Surgeon General's report which documented the health hazards to non-smokers who are exposed to the tobacco smoke from others in his ruling.

"These facts when considered with the fact that two-thirds of the U.S. adult population are non-smokers, necessitate that as a health department we support the rights of the non-smoker," his memo stated. Stearns became the county health director last August.

Ford defends Viet aid vote

By TOM OCHILTREE
Panax Washington Bureau

"Once you get your foot on the fly paper it is hard to get off," said Rep. William D. Ford (D-Mich.) in explaining why he voted against the South Vietnam evacuation and humanitarian aid bill.

The congressman said he feared this measure because of its vagueness, and its provisions to allow President Ford to use American troops in the evacuation, could turn into another Gulf of Tonkin resolution. The reference was to the resolution President Johnson got in Congress to form the legal basis for the massive American intervention in Indochina.

By a vote of 230-187, the House approved \$327 million in humanitarian aid to South Vietnam and to pay for the evacuation of endangered Americans and South Vietnamese in Saigon, Rep. Ford was among those voting in the negative. Earlier the Senate by a 75-17 vote had approved \$250 million for the same purposes. Michigan's two senators—Democrat Phillip A. Hart and Republican Robert P. Griffin voted for the Senate bill.

Rep. Ford objected to the lack of specifics concerning humanitarian aid. He wondered whether this provision meant that we were just going to turn over money to the tottering South Vietnamese government. On the subject of evacuation, he said:

"President Ford always has had the authority to bring out the Americans still in Vietnam. He should have had them all out of there last week and could have had them out even by today if he

had wanted to. There is the appearance the President is trying to use the Americans there as hostages."

In any event, Rep. Ford added: "It is wrong to combine the humanitarian aid with the evacuation effort, then try to rush Congress into doing something."

As of today there are believed to be more than 1,500 Americans still in South Vietnam. These include members of the diplomatic mission, contractors and newsmen. Additionally there are dependents of these Americans, many of whom are Vietnamese.

Ford said he could not determine if there were any specific, well spelled out plan for the evacuation. He agreed with the administration that endangered American citizens and their dependents and Vietnamese who have had some relationship with Americans should be evacuated. In the last-named category, he was referring to Vietnamese nationals with relations in the United States and others who would be eligible for U.S. citizenship.

Ford was concerned at the vagueness applied to still a fourth category — those South Vietnamese who by reason of their war record or employment by the Americans might be subjected to retaliation by the North Vietnamese Communists.

Keogh.

The \$7500 fringe benefit for the self-employed.

You make your own way when you're self-employed. And that includes the "fringe benefits" like a retirement fund.

HR-10

But now thanks to new provisions in the Keogh Plan (HR10) you can build a pretty nice retirement for yourself. Because Federal law has raised the new Keogh limits to as much as 15% of your annual income up to \$7500 for a tax-free retirement fund.

Tax-Free

That's right, you can now save up to \$7500 per year tax-free! Quite an improvement over the old Keogh limit of 10% or \$2500 per year. Yet because these funds go directly toward your retirement, it's important for you to invest them wisely. In a way that provides a secure and substantial return for your dollar. At Wayne Federal Savings, your Keogh funds will earn the highest interest available while they're fully insured by the Federal Savings & Loan Insurance Corp. Plus, you have a choice of all these accounts.

For beginning your Keogh fund, there's our 5 1/4% regular Passbook Savings Account. You'll earn daily interest with no minimum deposit, and a compounded effective annual yield of 5.35%.

For annual Keogh planning, there's our 6 1/2% Savings Certificate Account. It's \$1,000 or more on deposit for one year, and it pays a compounded effective annual yield of 6.66%.

Next, there's our 6 3/4% Savings Certificate Account. It's also \$1,000 or more, and when left on deposit for 2 1/2 years it pays a compounded effective annual yield of 6.92%.

Then, there's our 7 1/2% Savings Certificate Account. Again, \$1,000 or more on deposit, in this case, for 4 years pays an effective annual yield of 7.71% when compounded.

Finally, it's our new 7 3/4% Savings Certificate Account. You'll earn the highest savings interest rate possible with this new 6 year certificate for \$1,000 or more. 7.97% is its compounded effective annual yield.

\$7500

Federal regulations require a substantial interest penalty for early withdrawal from Savings Certificate Accounts. To find out more on our Keogh plan, the tax-free \$7500 per year retirement fund, stop in or write us at any of the Wayne Federal locations listed below.

Clown livens meet

Balloons, clowns and fun spotlighted the recent Cub Scout Pack 735 meeting at Cory Elementary School.

Dennis Martino and Big Happy Hank held the Cub Scouts' attention as they made animals and space creatures from balloons.

Cubmaster Dennis Daly at the gathering announced the boys will be going to the baseball game May 31, while Charlotte Harmer said the June pack meeting will be held at Bob-Lo Island June 22.

Daly also told those gathered that Pack 735 received the attendance award for having the most leaders at the monthly Round Table meeting.

The pack presently is participating in Romulus's clean-up campaign, and the Webelos and Den 2 picked up 100 bags of litter on Wick Road between Wayne Road and Lisa Drive April 16. Other dens have "Clean-up Romulus" programs in the planning.

The pack welcomed the new assistant cubmaster — Gerry Magennes — at the meeting.

Awards were received by Ricky Daniel, silver arrow; Jason Voight, silver arrow; Greg Bird, dinner rope; Mark Nowakowski, silver arrow and assistant dinner rope; Bryan Daly, silver arrow and 1-year pin; Shawn Mortzfield, Bobcat badge; Rodney Hay, dinner rope, and David Martin, assistant dinner rope.

Larry Westrick was introduced as a new scout and Jack Moores went into the Webelos.

Charles and Barbara Earl, the new Webelos and assistant Webelos leaders presented Art Sigman with his dinner rope and activity badge; Rick Whitefoot, assistant dinner rope, and Billy Hawkins, aquanaut and traveler awards.

Duty keeps residents on move

The activities of residents of the Belleville-Romulus communities has kept the military forces busy keeping track of their promotions, transfers and duty changes.

Army Pvt. Jeffery W. Tackett, the son of Mr. and Mrs. James V. Tackett of 19120 Telegraph, Romulus, completed a welding course at the Army Ordnance School at Aberdeen Proving Ground, Md.

Tackett was trained in oxyacetylene, arc and metal inert gas welding.

Marine Lance Cpl. Fredrick J. Minda, the son of Mr. and Mrs. George E. Minda of 37198 Menton, Romulus, has left the Marine Corps Base, Camp Lejeune, N.C., for a Caribbean deployment with the 38th Marine Amphibious Unit.

He will participate in various training activities, and is scheduled to visit several Caribbean islands.

Marine Pvt. James H. Moody, the son of Mr. and Mrs. John Moody of 35601 Ronald Road, Romulus, reported for duty at the Marine Corps Air Station,

New River, Jacksonville, N.C.

Pvt. Kevin E. Losey, 19, the son of Mr. and Mrs. Melvin C. Aho, 46026 Bon-

telcoe Ave., Belleville, has completed the 7-week basic field artillery (cannoneer) course at the U.S. Army Field Artillery Training

Center, Ft. Sill, Okla.

During the course, he learned the duties of a howitzer or gun section crewman. He also received

instruction in handling ammunition, setting fuses and preparing charges, communications and maintenance.

Army S. Sgt. Larry G. Ousley, the son of Emogene Caldwell, 18100 Elwell Road, Belleville, has completed a noncommissioned officer (NCO) education system course here.

The course consists of advanced NCO training in the duties of a first sergeant, operations sergeant and intelligence sergeant. It also covers field-related topics.

Farmers may get aid to recover crop loss

In a move to help area farmers who suffered severe crop losses due to weather conditions last year, the

County Board of Commissioners has declared Wayne County an agriculture disaster area.

As a result, farmers in Western Wayne County are eligible for emergency federal loans at low interest

to aid their recovery from losses that destroyed more than 50 percent of some crops last year.

The disaster conditions were made official in a resolution adopted by the commissioners April 15, which also asks the U.S. Department of Agriculture, (USDA) to make the loans available.

According to the USDA's Agricultural Stabilization and Conservation Service (ACS) in Wayne County, at least 75 percent of the 700 farms in the area suffered substantially.

Army Pvt. Lawrence P. Menard, the son of Mrs. Helen R. Menard, 13560 Aston Drive, Romulus, completed the new "One Station Unit Training" (OSUT) program at Ft. Polk, La. OSUT provides basic and advanced training with the same unit, on the same post.

Marine Lance Cpl. Tony L. Lipford, the son of Mrs. Ruth Lipford of 6420 Denton Road, Belleville, has been promoted to his present rank while serving at the Marine Corps Air Station, Beaufort, SC.

College honors coed

A Belleville resident, Pamela Elliott of 45271 Robson Road, was among 6,000 Indiana University Bloomington students who made the dean's list during the 1974 summer session, the first semester of 1974-75 year, or both.

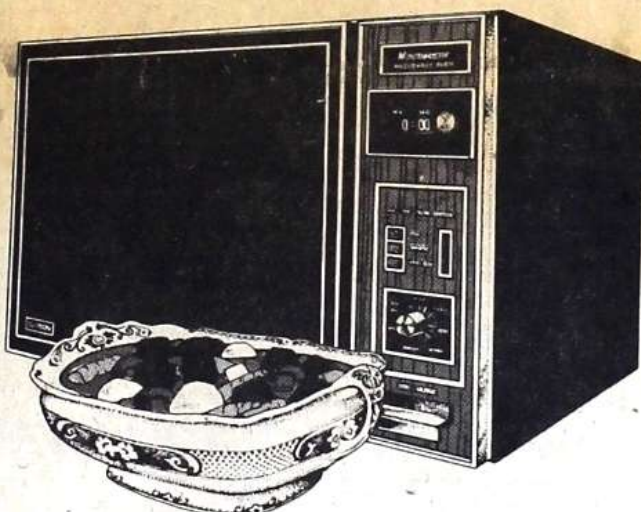

The 6,000, along with those students who made the dean's list the second semester of the 1973-74 school year, were honored for

their scholastic excellence this month at the university's traditional Founder's Day program on the Bloomington campus.

To make the dean's list, students must earn a 3.5 grade point average or better in a minimum of 12 hours. There is a 3.3 average for freshmen. An all-A average is 4.0.

Dan Hatcher took second place in the auto body competition.

Dan Hatcher also took third place in the extemporaneous speaking competition.

David Umbholtz received honorable mention on a job interview competition.

The finalists in the regional competition will be entered in a state-wide skill contest scheduled for Sunday through Thursday by

Vocational Industrial Clubs of America.

The competition will be held at the Western Michigan University campus in Kalamazoo.

Schools from throughout Michigan with vocational education programs entered students in the state competition. More than 20 Michigan High Schools entered students in the regional contest held in Saline last week.

Book helpful to area unemployed

Victims of the current economic crunch can find important, basic information about where they can turn for help in a new pamphlet published by United Community Services (UCS) with

special Torch Drive funds, provided by United Foundation (UF).

UF officials and UCS said the pamphlet can be helpful particularly to newly unemployed persons who are

confused about the benefits to which they may be entitled.

Called "How to Survive Unemployment, Recession, Inflation," the publication contains information about

eligibility for many government programs. It gives particulars about how and where to apply for food stamps, medical assistance, and various kinds of financial aid. It suggests

what to do when the phone, gas or electricity is cut off because of non-payment of bills.

Copies will be available at no charge at the offices of

many public and private agencies throughout the metropolitan area, or persons can request a copy by calling Community Information Services at 833-3430.

RESOLUTION ADOPTED UNANIMOUSLY.

Upon Motion by Councilman Palmer, supported by Councilman Stinehour the following Ordinance was offered:

CITY OF BELLEVILLE

ORDINANCE NO. 75-145

AN ORDINANCE TO AMEND ORDINANCE NO. 56-77, AS AMENDED, BEING AN ORDINANCE TO PROVIDE FOR MUNICIPAL OWNERSHIP, CONTROL, MANAGEMENT, MAINTENANCE AND CARE OF WATER AND SANITARY SEWER FACILITIES BY THE CITY OF BELLEVILLE; TO ESTABLISH RATES AND CHARGES AND TO PROVIDE FOR THE COLLECTION THEREOF; TO ESTABLISH RULES AND REGULATIONS COVERING THE USE OF THE FACILITIES; TO PROHIBIT CERTAIN ACTS AND TO PROVIDE PENALTIES FOR VIOLATION THEREOF. THE CITY OF BELLEVILLE ORDAINS:

Section 1. That Ordinance No. 56-77, as amended, entitled "The City of Belleville Water & Sewer Ordinance," be and it is hereby further amended by changing Sections 6.4, 7.8, 8.3, and 8.6, and adding Section 7.13 which amended and added sections shall read as follows:

Section 6.4 COST OF METER PIT Where it is necessary to set the meter in a pit, such pit shall be built at the expense of the customer as directed by and to the entire satisfaction of the superintendent. Every meter pit shall have a sump pump or other satisfactory drainage installed at the expense of the customer. The sump pump or satisfactory drainage shall be maintained by the customer so as to prevent water in the pit reaching the meter. The cost of repair or replacement of any meter damaged by high water in the pit shall be charged to the customer.

Section 7.8 TAP BENEFIT CHARGE. For the privilege of tapping into any of the City owned or operated Water Mains, there shall be a benefit charge of Five Hundred and Fifty-Dollars, payable Fifteen Dollars quarterly, when billing is done on a quarterly basis, and Five Dollars per month, when billing is done on a monthly basis, until the entire sum is paid, with the privilege of paying the full amount of any unpaid balance at any time at a discount on said balance of ten percent except that where the main serving the premises was installed and paid for by the subdivider or property owner, either by contract or by special assessment, such benefit charge shall be on the basis of Two Hundred, Seventy-Five Dollars, for each tap, all payable in the same manner as hereinbefore provided. The foregoing charge is for a normal house service connection for one single family residence using a 1", tap or less. In the event a water tap larger than 1" is used, there shall be an additional benefit charge of \$125.00 for each 1" or fraction thereof of tap size over 1". Further when more than one building (other than a garage) is erected on a platted lot or parcel of land, an additional normal charge will be made for each building plus the additional benefit charge of taps in excess of 1". In the event of construction of a multiple family residence or mobile home park, the

benefit charge will be \$550.00 for a tap up to 1" with an additional charge of \$125.00 for each inch or fraction thereof of the tap over 1" plus \$25.00 per unit or mobile home site.

Section 7.13 UNMETERED SALES. In the event that a customer desires to obtain water from City fire hydrants or other unmetered locations, such persons shall first notify the Superintendent of the time and place where such water will be obtained. Before any water is taken from such sources, a City Employee must be present. The charge for such water shall be based upon the established charge per 1,000 gallons of water provided for in the Ordinance plus an additional charge for the time a City Employee is present while the customer is obtaining the water. The City shall charge a minimum of one hour for the Employee's time which shall include the Employee's regular hourly rate plus fringe benefits plus 15 per cent administrative overhead.

Section 8.3 SEWER DISPOSAL RATES FOR NON WATER CUSTOMERS. In the event a customer has a private water source or obtains his water from a source other than the City of Belleville, such customer shall be charged for sewage disposal at the rate of 66c per 1,000 gallons of sewage. Such customer shall be billed upon the volume of water consumed through line (s) connected to the building or buildings on his property. Each such customer shall, at his sole expense, install a meter in the water line(s), connected to the building or buildings on his property which can be read by the City of Belleville in order to compute the volume of water consumed in order to bill for sewage disposal. In no event shall the minimum charge for sewage disposal be less than \$7.00 per month.

In the event that the customer fails or refuses to install said meter, then the City shall install the meter and bill the customer on the basis of the actual cost to the City including overhead and materials plus the sum of 20 per cent of such actual cost which cost in no event shall be less than \$150.00. The charge for the installation of the meter shall be paid by the customer immediately upon receipt of the bill and the City shall have a lien against the property for any unpaid charge.

Section 8.6 BENEFIT CHARGE For the privilege of tapping into any of the City owned or operated Sewer Mains, there shall be a benefit charge of Six Hundred and Sixty Dollars, payable Fifteen Dollars quarterly, when billing is done on a quarterly basis, and Five Dollars per month, when billing is done on a monthly basis, until the entire sum is paid, with the privilege of paying the full amount of any unpaid balance at any time at a discount on said balance of ten percent, except that where the main serving the premises was installed and paid for by the subdivider or property owner, either by contract or by special assessment, such benefit charge shall be on the basis of Three Hundred and Thirty Dollars, for each tap, all payable in the same manner as hereinbefore provided.

The foregoing charge is for a normal house service connection for one single family residence using a tap up to 6" in diameter. In the event a sewer tap larger than 6" is used, there shall be an additional benefit charge of \$110.00 for each inch of sewer tap over 6". If more than one building (other than a garage) is erected on a platted lot or a parcel of land, an additional normal charge will be made for each building for a tap up to 6" in diameter plus the \$110.00 for each inch in excess thereof. In the event of the construction of a multiple family residence or a mobile home park, the benefit charge shall be \$660.00 for a tap up to 6" plus \$110.00 for each inch of tap over 6" plus \$30.00 per unit or mobile home site.

Section 2. REPEAL All Ordinances, or parts of Ordinances, in conflict herewith are hereby repealed only to the extent necessary to give this ordinance full force and effect.

Section 3. This Ordinance shall become effective on April 30, 1975.

During conference

Educators to discuss athletes

Educators from across the nation will participate in a 2-day conference on counseling the student athletes at Michigan State University, (MSU) tomorrow and Saturday.

The conference is designed to assist educators in special counseling problems faced when advising collegiate athletes. Sponsored by the MSU Athletic Department, the event marks a first time educators have examined

this issue in a conference format of this size, a spokesman said.

Athletic departments throughout the country have problems with student-athletes in a personal and financial way," said Clarence Underwood Jr., conference chairman and MSU's assistant athletic director for academics. "We hope to address these problems and bring together

our resources in order to meet them."

A host of speakers and workshop leaders will be involved in six sessions planned for the 2-day conference.

Bud Wilkinson, former head football coach of the University of Oklahoma and television sports commentator, will address the final session with a talk of "Problems in Counseling the Student-Athlete: A look at

the Past, Present and Future." Roy Kramer, head football coach of Central Michigan University, the NCAA Division II champion, will discuss "A Coach's Commitment to a Student-Athlete."

A listing of seven major discussion areas illustrates the scope of issues to be explored by educators.

Topics include: a counseling model for student-athletes; social, economic and political realities of counseling the black student-athlete; prospective student-athletes and the admissions procedure; role of the athletic department in assisting student-athletes with legal matters for professional contract negotiations; women's athletics at MSU; faculty viewpoint of student-athletes; and closing the gap between counseling for eligibility and graduation.

Benjamin Gibson will discuss legal services available in negotiating professional contracts, and Dr. Roscoe Brown of New York University will discuss counseling black athletes. Dr. John Loy of the University of Massachusetts will be chairman of a session on how faculty members view the student-athletes.

Resident participates in Flower, Bridal Show

Belleville resident Leonard Feitel, a junior at Michigan State University (MSU), participated in the

11th annual Flower and Bridal Show in East Lansing, Lansing.

An accounting major at

MSU and 1972 graduate of Belleville High School, Feitel is the son of Mr. and Mrs. Felix E. Feitel of 11225 Morton Taylor Road.

The program, "Moments to Remember," was sponsored by floriculture students of the MSU horticulture department. The students presented four separate mock weddings ranging in theme from the roaring '20s to the sensational '70s. Highlighting these weddings were wedding gowns, props and more than \$15,000 worth of flowers donated from wholesalers across the country.

Feitel played the part of the bridegroom in the intermission mock wedding ceremony "Kids of the '50s."

Band boosters will sell fruit

The Belleville Band Boosters have embarked on a new project.

They currently are taking orders for Valencia oranges and white grapefruits which will be shipped directly from Florida. The oranges and grape fruits will be sold by the case — 40 pounds in a case — for \$8.

All orders must be placed before Saturday, since the

shipment will arrive next Friday.

All proceeds from the sale will go into the band scholarship fund for band students in the Van Buren School District.

Those interested in placing an order should contact Dee McDougal at 699-7125 or Marge Spino at 697-7139.

She nets honors

A total of 665 students including a Belleville coed, achieved placement on the winter quarter Dean's List at Michigan Technological University (MTU) by earning a grade point average of 3.5 or better.

Dean of Students, Harold Meese, said 183 students had earned a straight A average of 4.0.

Western Wayne County resident Nancy R. Middleton the daughter of Mr. and Mrs. Percy B. Flotte of 17040 Renton, Belleville, was included on the MTU list.

Miss Middleton is a senior majoring in business administration.

2 localites gain honors

Two students from the area have made the honors list at the Detroit College of Business. They are Esther R. Brock of Romulus and Byron R. Fair of Belleville.

The students earned a spot on the list during the winter quarter for holding a grade average of B-plus during the quarter.

PCHA agrees to employees' salary increase

By M.C. RADEMACHER
Of The Enterprise
Roman Staff

Salaried employees of the Peoples Community Hospital Authority (PCHA) will be getting bigger pay checks beginning in May after approval of an 8 percent wage increase by the PCHA Board of Directors last night.

The wage increases affect 2,000 employees of four hospitals — Annapolis in Wayne, Beyer Memorial in Ypsilanti, Seaway in Trenton and Outer Drive in Lincoln Park. The salary hikes will

apply to both the minimum and maximum earnings in each job classification of salaried employees. The employees affected do not belong to labor units.

The salary review is an annual procedure by the board that traditionally results in wage adjustments at the same time each year.

Also discussed briefly at the meeting was a question raised by board member-at-large Justine Barnes of Westland, who had asked at the last meeting for an explanation from Atty. Gen. Frank J. Kelly regarding his

alleged comments about PCHA misspending.

According to some reports, the attorney general accused the board of having "fingers in the till" in relation to a misspending accusation by a Detroit newspaper.

PCHA board Chairman Donald Pizzimenti said that he had contacted the at-

torney general's office four times regarding the supposed remark, and that a report on the comments and the authority's audit would be released from the attorney general by next Friday.

He added that the comment from Kelly accusing the authority of spending

irregularities was not correct.

"In talking with the people in the attorney general's office, I am satisfied that the comment attributed to the attorney general was not made by him," Pizzimenti said.

Saying that she remains "concerned with the

reputation of the authority and the people who sit on the board," Mrs. Barnes agreed to wait for the report, but added that she "still wants something tangible from the attorney general."

At the close of the meeting, Pizzimenti elaborated on and defended the number of "junks" attended by board

members during the past five years, citing only 18 current and five past members as having gone on 38 trips to conferences during that time. Putting the dollar figures for those conferences at \$8,275 for the 5-year period, he stressed the importance of going on the conferences as a learning

experience to help members do their job of making decisions in administering the authority's substantial budget and responsibility.

In defending the trips to conferences, Pizzimenti added that he was sorry that all board members had not attended at least some conferences.

July parade plans continue

The Van Buren Township Parade chairman, George Heifner, has said plans for the official 1975 Fourth of July Parade now are in progress.

"Our intention is to create interest for the 1975 participants to continue their planning to join the township in the 1976 Wayne County Bicentennial Parade," Heifner said.

"The initial response has been great and this was done with little effort. Now, if everyone that ever wanted to participate in a parade would get in touch with us, Van Buren Townships first parade would be the biggest and best," he added.

Local groups or organizations wishing to participate can call the Van Buren Township Hall at 699-2001 or Heifner at 697-7560.

Her creativity wins \$25 prize

A Romulus student's creative writing has netted her an award in a writing contest sponsored by the English Department of Eastern Michigan University (EMU).

Valerie C. Barkus of 8619 Whitehorn, Romulus, won the third prize of \$25 in the fiction division for a story entitled "Nolo Contendere."

The contest was judged by members of the EMU journalism and advanced composition divisions of the department.

Three cash prizes were awarded from the more than 200 manuscripts of fiction, poetry and feature writing.

2 students net MSU degrees

Among the 1,463 Michigan State University (MSU) students who were awarded degrees at winter term commencement exercises held last month in the MSU Auditorium, were two Western Wayne County residents.

The graduates included Kathleen A. Clark of 46000 Lake Villa, a bachelor of arts degree in elementary education and Eric T.

Hunsjoker, of 43838 Applewood Road, bachelor of arts degree in Spanish, both of Belleville.

The candidates included 975 bachelors, 354 masters, 103 doctoral, 9 educational specialists, 20 doctors of human medicine and 2 doctors of osteopathic medicine.

U.S. Congressman James O'Hara was awarded an honorary degree at the commencement exercise.

Poetry contest opens

Western Wayne County residents interested in poetry writing may take part in the First Annual Poetry Competition, sponsored by the World of Poetry.

Poems on all subjects are eligible to win the grand prize of \$1,000 or any of the 50

other cash or merchandise prizes.

Rules and official entry forms are available by writing World of Poetry, 801 Portola Drive, Suite 211, San Francisco, Calif. 94127.

The contest deadline is June 30.

Tigers challenge DHS

Since the inception of the Suburban 8 Conference three years ago, Dearborn has dominated the track competition. Belleville will attempt to put an end to the Pioneers' rule when Coach Bob Bridges' team comes to town.

Belleville will place a 2-1 league record up against Dearborn at 4 p.m. tomorrow.

"Dearborn always has excellent track teams," said Bruce Romant, Belleville High track coach.

Romant's Tigers didn't need to sweat in its 82-41 triumph over Livonia Bentley last week. It captured 10 out of a possible 15 first places with Derrick Darty and Mike Blazer each contributing two.

Darty leaped 19-foot 2½ inches in the long jump and

also was clocked in 53.5 in winning the 440-yard dash; while Blazer picked up the 120-yard high hurdles with a 16.0 effort, then came back to run a 20.6 in winning the low hurdles.

Earlier in the week, Belleville lost a 3-point cliffhanger to Ann Arbor Huron, 63-60. Romant called the nonleague loss, "a moral victory, if nothing else."

The Tiger mentor pointed out that "if one of our third places could have moved into second or if we could have won the 880-yard relay which was decided by one step, then the tide would have shifted in our favor."

Belleville swept three of the four field events and amassed nine firsts to Huron's six, however, the winners had too much depth. Darty had a super day as

Eagles destroy RR Panthers

Rick Britz scattered three River Rouge hits as Romulus destroyed the Panthers 8-2 for its fourth victory in six starts this season.

Britz, an All-Area pitcher last year, notched 11 strikeouts and walked three in chalking up his third victory in four outings, to the mound.

"This definitely was his (Britz') best game of the season," said Dennis Stoh, Romulus' rookie baseball coach.

Romulus got on the

scoreboard first when the Eagles tilted the board in its favor twice. Bob Griffin started the rally with a walk, stole second, and raced to third on a throwing error.

Then, Chuck McBride sacrificed, scoring the initial run. Don McMann was safe on an error. He also reached third after stealing the base. George Butler's sacrifice fly drove McMann home.

Rouge tied up the game with two runs in the top of the third, but Romulus exploded for five runs in the bottom of that frame to take an insurmountable 7-2 lead.

Britz again started it off when he was struck by a wild pitch. He was chased to second on Don Moore's single and when Tom McCloskey walked, Romulus had the bases loaded.

Griffin then hammered a 2-run single and Chuck McBride also singled in the third run. George Butler's base hit to left center accounted for the final two runs of the inning.

Romulus put its final run on the scoreboard in the fourth inning on a walk to Jerry Goodman, and Griffin's second hit of the game — a triple to right.

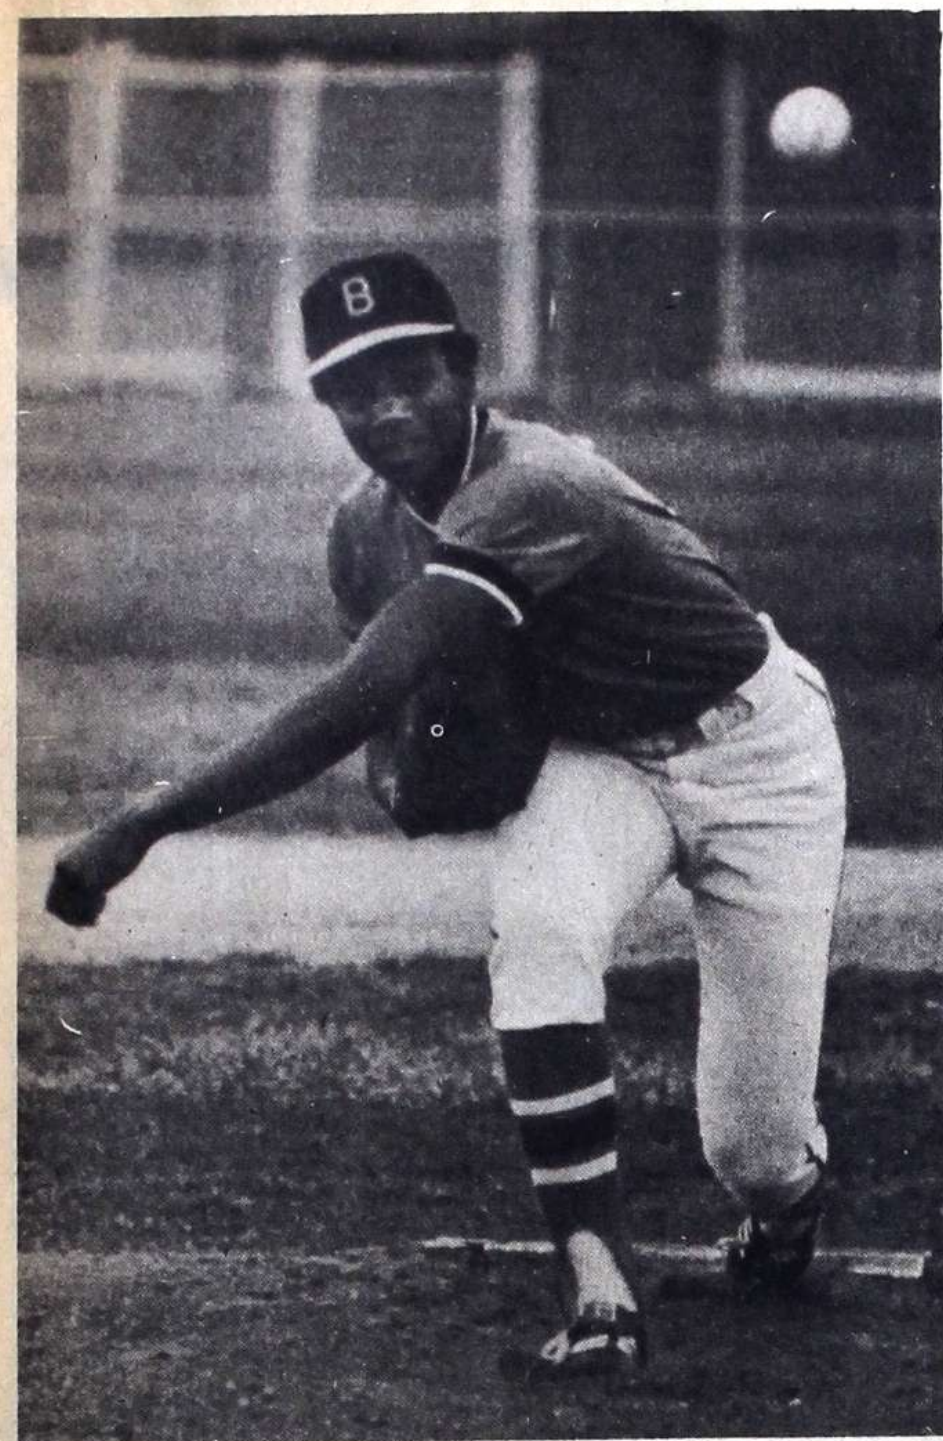

Romulus will be out today to avenge an earlier loss to Belleville High when the two area powers meet at 4 o'clock at Belleville field.

Eagles earlier in the week as the Flyers bombed losing pitcher Michael Morrison and reliever John Myers in the first two innings for 11 runs in a 14-12 victory.

Morrison lasted 1 and one-third innings and was charged with seven runs while Myers went 3 and two-thirds innings, giving up eight runs.

The Flyers had built up a 14-3 advantage after three innings before Romulus began to play. The Eagles tilted the scoreboard for five runs in the fifth inning and scored four times in the seventh.

"We played excellent ball the last three innings against Willow Run and that carried over to Saturday's doubleheader against Saline," said Stoh, who is in his first season as Romulus' head coach.

ON TARGET — Making his league debut on the mound, Belleville High's Southpaw pitcher Walt Easley tamed Livonia Bentley 3-2 last week. However, Belleville was blanked on Friday by Dearborn 6-0, as

the Tigers' league record dipped to 1-2 on the season. — Photo by The Enterprise-Roman Chief Photographer Lothar Konietzko.

Belleville Tigers need more hits to net suburban championship

If Belleville wants anything further to say about the Suburban 8 Conference baseball championship, then Coach Vitold Kaminski's Tigers will have to start getting the hits. Belleville was shut out 6-0 at Dearborn Friday, dipping the Tigers' conference record to 1-3 on the season. Dearborn's Jim VanderHull scattered four Belleville hits, struck out 12 in picking up the victory.

Losing pitcher Dan Matson lasted three innings before Kaminski called upon reliever Greg Brown, who worked one inning, then gave way to Paul Vas.

Vas wasn't around at the end of the game, either. Dan Scripser was summoned to the mound to finish up.

Earlier in the week, Belleville won its first conference game at the expense of Livonia Bentley 3-2. Ealt Easley, who earned All-Area honors as a cager, went the distance for the Tigers, striking out nine.

Easley was tagged for seven hits and five bases on balls.

Loses to Willow Run

Romulus pounds out two victories

Romulus' battery pounded out 32 runs in three games and had to settle for two victories in three starts over the weekend.

Coach Dennis Stoh's Eagles took a doubleheader from Saline, winning both ends by identical 10-1 scores. The Eagles bowed to Willow Run 14-12 in another slugfest.

Romulus' Rick Britz pitched both games against Saline and padded his personal record to 5-1 on the season. He chalked up 19 strikeouts in 11 innings while he scattered two hits, walked none in the nightcap.

Jerry Goodman paced Romulus' assault against Saline pitchers in the second game as he belted three

singles and counted three runs batted in. Don Moore, Chuck McBride and Rick Britz each had two hits.

In the opener Goodman hammered a 3-run homer in the fourth inning and Tom McCloskey drilled a 1-run homer in the sixth while McBride also chipped in two singles.

Willow Run jolted the

Romulus needs doubles tennis help

If Tennis Coach Tom Baldwin could dig up some players who would give him some points in the doubles, then Romulus still may salvage a winning season. It's the doubles' teams that

have collapsed during the early stage of the campaign and their performances against River Rouge were all but impressive last week.

Rouge came off the courts with an easy 6-1 victory. It was Romulus' fourth setback in five tries.

"We got beaten pretty badly in the doubles," Baldwin said. "And we don't have anyone in the reserve ranks to help us out. In fact,

there will be a few lean years around here after these boys leave."

Baldwin added that the nucleus of his team is made up of seniors.

"We have a lot of work ahead of us in order to stay on the courts with some of our rivals," Baldwin said. "And, it's going to be rough, believe me."

Meet results: Rouge 6, Romulus 1

CONFERENCE ON THE MOUND — Vit Kaminskis (center), dean of area baseball coaches, has a skull session with pitcher Walt Easley (at right) and catcher Dave Dapsi. Easley pitched his way out of trouble in the seventh against Livonia Bentley last week to give the Tigers their first Suburban 8 Conference victory of the campaign. On Friday, however, Dearborn's Jim VanderHull tossed a four hitter in shutting out the local contingent 6-0. — The Enterprise-Roman photo.

Huron Chiefs net 4 wins; Victorious over Woodhaven

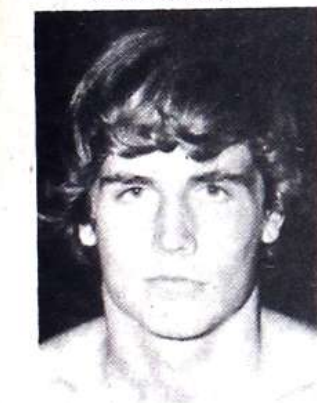

What a difference a season makes. Last year New Boston Huron floundered in a 1-16 won-lost season and today Coach Ron Smith's Chiefs already have won four games. The latest Huron triumph was a 19-1 rout of Woodhaven. Huron exploded for six runs in the opening inning and also raked the Woodhaven pitcher for seven more in the sixth. The Chiefs scored in every inning. Most of the starters were on the bench after the third game. Larry Kittle stroked a couple of hits — two in the first inning — and also had a pair of runs batted in; while teammate Jeff Gill carved out 3-for-3, including a 2-run double. Gill now has 12 RBI's in seven games. Russ Ikerd also rapped 2-for-2, including a double. The victory padded the Chiefs' record to 4-3 on the season. Lonnie Fater went the distance for the Chiefs and tossed a 3-hitter in chalking up his second victory in three starts. Fater, a lefthander, fanned 12 and walked five. Earlier in the week Huron wound up on the short end of a 9-1 count against nonleague rival, Riverview. A misjudged fly ball in the bottom of the second led to three Riverview runs and Huron's demise. Mike Biger found the going rough against the Pirates as he was tagged for eight of the nine runs in 2 and one-third innings on the mound. He was relieved by Ken Kwasnik who finished up for the Chiefs. Russ Ikerd's single, a groundout and Kwasnik's single led to the Chiefs' only run.

University honors 2 area swimmers

Two former Belleville High All-Area swim stars recently were honored by Bowling Green (BG) State University. They're Dean Ackron and Jeff Liedel. Ackron, a sophomore, has been named BG's most valuable swimmer for the 1974-75 season. Ackron placed fourth in the 1,650-yard freestyle at the Mid-American Conference championships and came back to score points with a ninth-place finish in the 500-yard freestyle.

Matmen capture two 4ths

Of the four North Junior High wrestlers who qualified, two captured fourth place medals at the U.S. Wrestling Federation state tournament. James McCarty, 15, and Matt Gary, 13, were the recipients of the medals. The two, along with teammates Tom Memering and Scott Harch, competed in the tournament held Saturday in Allendale, Mich. McCarty finished fourth in the 170-pound competition while Gary was the fourth best wrestler in the 85-pound class. Memering, 15, and Harch, 13, represented the Belleville-based junior high school in the 155- and 100-pound classes, respectively. The four qualified from district and regional meets.

Despite loss Coach sees improvements

Though his team lost by more than 50 points to a strong River Rouge track contingent, Romulus High's head track coach Al Wilkerson saw some improvement in the Eagles' individual performances. "Rouge won the MSU (Michigan State University) relays and they really are strong this year," Wilkerson said. "But our boys are picking up experience with each meet and I'm sure before this is all over with we're going to surprise a couple of our rivals." Rouge crushed the Eagles 86-37.

Romulus managed to win four out of a possible 15 first places: Donald Robinson contributed the long jump with a leap of 18-foot 3-inches, then came back to clear 5-foot 6-inches to win the high jump.

Robinson's teammate Tim Flake captured the pole vault when he successfully negotiated 9-foot 6-inches. Steve Zimmerman's 4:56.5 run in the mile was good enough for another Romulus first place.

Romulus has a busy week ahead as the Eagles will take on a highly-respected Dearborn Heights Robichaud team tomorrow; then compete in the Ecorse relays on Saturday and, on Tuesday, will take part in the annual Belleville relays.

1 run ruins opener

In the three games he was worked on the mound this season, New Boston Huron's Mike Michling has given up only one earned run.

That run — a sixth inning score — cost the Huron hurler a 4-3 decision against Tecumseh on Friday. It also ruined the Chiefs' conference opener.

Michling, who has been near perfect all season long, suffered his first setback by giving up the earned run in the sixth on a walk to the Tecumseh leadoff man, a sacrifice and a single by winning pitcher Ken Visgupski.

Michling also struck out three and walked five while being tagged for nine hits. Rains erased Huron's Monday game.

Civil Air Patrol squadron visits Washington

Twenty-two members of local units of the Civil Air Patrol (CAP) in Western Wayne County recently completed a week-long tour of Washington, D.C. The tour began in Lock Haven, Pa. where the group visited the Piper Aircraft factory, and ended with a tour of the Luray Caverns in Luray, Va.

In between the two stops, the group visited several places in Washington, including the Washington, Jefferson and Lincoln memorials, the Pentagon and Arlington National Cemetery.

One morning was spent at the Air and Space Museum of the Smithsonian Institute and an afternoon visiting the United States Naval Academy at Annapolis, Md. While at Annapolis, the group was joined by Midshipman First Class Neal Guernsey, formerly a Cadet Major in the Wayne-Romulus CAP Squadron and now only months away from graduation at the naval academy.

Senior escorts for the trip included Lt. Col. Alan R. Creighton and Martha Brazer, and Capt. Frank Kudla, Nelson Wazenski and

Margaret Cooper. Seventeen cadets, or teen-aged CAP members, made the trip, including Cadet 1st Lt. Mark Michaels, Cadet Master Sgt. Robert Durham and Daniel Trump, Cadet Tech. Sgt. Nina Trump and Andrew Orgovan, Cadet S.Sgt. Vicky Toporek and Mary Olson, Cadet Sgt. Suzanne Orgovan, Karen Toporek and John McNett, Cadet Airmen Brenda Valuet, Franklin Woods, Michelle Hunt and Mary Kaczperski.

The week-long journey was a field trip in support of the CAP Cadet Program, which provides its teen-aged members with a variety of activities centered around aviation and the U.S. Air Force.

While in Washington D.C. an evening was spent visiting with the Bethesda-Chevy Chase Cadet Squadron of CAP, located in Bethesda, Md. As part of the hospitality extended to the Michigan visitors, the Maryland hosts gave a surprise birthday party, complete with cake for Miss Toporek, who turned sixteen during the trip.

As members of the official auxiliary of the Air Force, CAP members are entitled to use some facilities at Air Force Bases. As a result, the group was able to stay at the Visiting Officers' Quarters at Andrews Air Force Base outside of Washington, home of Air Force One, the Presidents' plane.

The field trip has become

an annual event for local CAP members, who take cadets to Washington, D. C. and Cape Kennedy, Fla. on

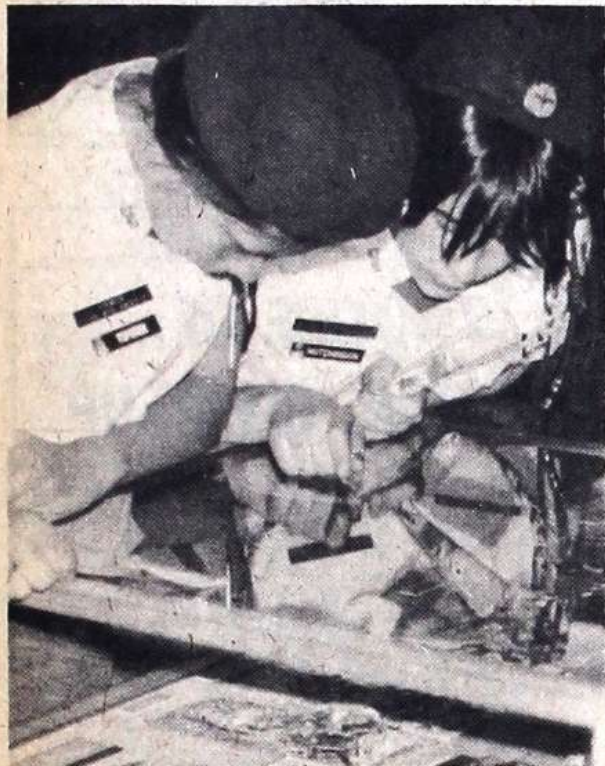

alternate years. Other special activities provided locally for CAP Cadets include week-end bivouacs and

field and communications exercises. Model rocketry also is featured.

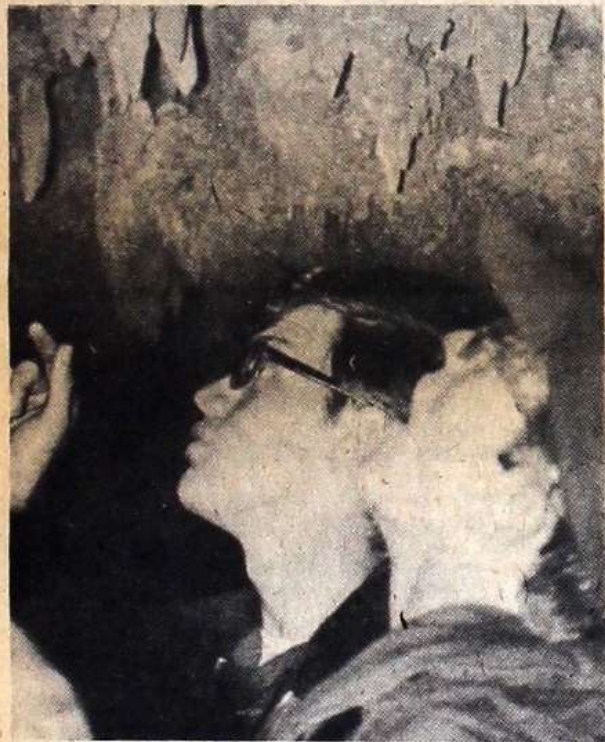

Cadets also participate in

military drill competitions, and several of the girls making the Washington trip are members of the

Michigan Championship drill team which placed first in the Great Lakes area and second at the National level.

SIGHTSEEING — Cadet Sgt. Karen Toporek above, (left) and Cadet 1. C. Kathy Hutchinson examine exhibits at the Naval Museum, U.S. Naval Academy, Annapolis, Md., while Cadet St. Lt. Mark Michaels (below left), and Cadet Master Sgt. Daniel Trump observe some of the natural wonders of the area during a visit to the Luray Caverns, Luray, Va.

Romulus will establish Operation Identification

The City of Romulus will be joining several other Western Wayne County communities in organizing "Operation Identification," a program designed to help in the recovery of stolen property.

Mayor Terry Troutt is initiating "Identification,"

to help reduce residential burglaries by assisting citizens in marking their valuables for quick recognition.

The purpose of the program is to get Romulus families and businesses to mark all valuables in and around their homes and businesses with their

driver's license numbers. Electric engravers that mark metal, wood and plastic are being used. The service is free of charge to those wishing to participate. Stickers identifying their place of business or home as a participant in the program then will be given to them to

post on the front and rear doors.

According to law enforcement officials, "Operation Identification" is not foolproof, but it does discourage thievery for (1) "fences," the people who buy and sell stolen goods, do not like to deal with merchandise that is readily

identifiable; (2) thieves are not anxious to be caught with merchandise on their persons that law enforcement officials can prove belong to someone else; and (3) although the engraved numbers can be filed off, the fact that they are there makes life harder for the burglar.

Troutt advises that the engravers be used to mark such things as radios, tape recorders, TV sets, record players, cameras, bicycles, power mowers, clocks and items that have "particular appeal to thieves...even jewelry and hubcaps." Driver's license numbers are used in the program

because they are traced easily by law enforcement agencies. Items recovered from thieves which are so identified, have an excellent chance of being returned to the original owners.

A Romulus resident should call the Ordinance Enforcement Office at 941-0666, ext. 52 or 53, to set up an

appointment. One of the members of the Police, Fire and Safety Commission will come to his or her home to mark e belongings and fill out the necessary forms.

For further information, call Jerry Kubiak at Romulus City Hall at 941-0666, ext. 52 or 53.

Of Soviet-American detente

Kremlin aid in Viet peace is Ford's test

By TOM OCHILTREE
Washington Bureau

Willingness of the Soviet Union to prevent or at least delay the storming of Saigon by the North Vietnamese Communists has become for President Ford a major test of whether the Kremlin wants to continue along the road of Soviet-American detente.

This assessment came from diplomatic sources who took note of the lull in the recent Indochina fighting, North Vietnamese and

Vietcong divisions continue forging an iron ring around the South Vietnamese capital. Military observers estimate the Communists could capture Saigon almost at will.

But if the North Vietnamese move too quickly and turn Saigon into a shambles, they would risk a nightmare collision with United States efforts to evacuate some 1,500 Americans, their dependents and thousands of threatened South Vietnamese nationals.

Congress has approved this evacuation effort along with limited authority for the President to use American

military units to keep open the escape route. Without some restraint from the other side

American troops could become reinvolved in combat operations, something Ford is making

every effort to avoid.

That is where the role of the Kremlin leaders comes into play. Hopefully, a word from them could restrain North Vietnam, their client state.

Asked about the prospects of peacefully carrying out the delicate evacuation, Sen. Robert P. Griffin (R-Mich.) said: "I understand the Soviet Union is one of the countries through which our government is working in this regard."

This remark commands attention because Griffin is the Senate's minority whip, a member of that chamber's Foreign Relations Committee and a long time associate of President Ford.

"We will continue to try to make detente work while maintaining a strong defense

posture," Griffin said.

As of now the Ford administration assumes that there are diplomatic and economic understandings Washington and Moscow can

agree upon that would work to the mutual advantage of both.

"We assume the Communist side will want to keep such agreements."

Beyer posts patients list

Several residents of the Belleville community were among residents recently admitted to Beyer Memorial Hospital in Ypsilanti for surgical and medical

procedures and to await the arrival of the newest addition to their families.

Mr. and Mrs. Walter Neuirth of Sherwood Drive, Belleville, are the proud parents of a new baby girl, born April 22. The infant weighed 7 lbs.-11 ozs.

Those residents admitted for medical reasons were Mrs. Clifton Whitson of Elwell Road, Belleville; Mark Bastedo, the son of Mr. and Mrs. Garry Bastedo of Bogg Road, Belleville; Stella Denney of Rawsonville Road, Belleville; Lester Cox, the son of Mr. and Mrs. Henry Cox of Willis Road, Belleville, and Verda Barry of Belleville Road, Belleville.

Surgical patients included Mrs. Donald McLaughlin of Huron River Drive, Belleville; Lowell Cinnamon of Martinsville Road, Belleville; Anne Davie of Willis Road, Belleville; Antonio Lyle, the son of Mr. and Mrs. Shirl Lyle of Ware Street, Belleville; Winnie Sanderson of Wayside Drive, Belleville; Gertrude Prince of Belleville Road, Belleville, and Mrs. Kenneth Dudek of Reed Road, Belleville.

Student receives accolade

A New Boston student in his first year at the University of Michigan (U-M) has been recognized for his superior scholastic achievement at the school.

Dane Davis, the son of Mr. and Mrs. Walter Davis of 39100 Judd Road, New Boston, was recognized at the 52nd Annual Honors Convocation at the U-M Hill Auditorium April 11.

Following the convocation, Davis and his parents attended a reception hosted by U-M president Robben Fleming.

Dane is a 1974 graduate of Huron High School.

YWCA honors work of Beverly McAnally

The mayor pro tem of Romulus, Beverly McAnally will be among five successful area women taking part in the YWCA of Western Wayne County's celebration of International Women's Year.

The keynote speaker is Elizabeth Burch, attorney and chairperson of the Democratic Party, 16th District.

The Focus Groups' speakers will be Edith Van Horn from the UAW on "Women and Employment," Laura Callow from Citizen Advisory Commission for Women on "The Image of Women," Barbara Grossman, director of the

Michigan Citizens Lobby on "Women as Consumers," and Mrs. McAnally, on "Strategy."

The celebration will be at the YWCA Family Center, 26279 Michigan Avenue between Beech-Daly and John-Daly in Inkster, on Tuesday. To register, contact the YWCA at 561-4110.

The evening is designed to introduce data, provoke thought, and stimulate controversy, and perhaps also to answer some of the questions being asked today that are of deep concern to today's women, a "Y" spokeswoman said.

Chairperson of the spring members meeting is Mary

Jo Lomas of Dearborn with Sylvia Brownie and Donna Robbins of Westland, Jan Lovell of Livonia, Irene Piccone of Northville, LaVerne McGee and Pat Grinnell of Romulus, LuNeil Hill of Inkster, Leslie Mayer and Janice Logerstrom of Dearborn as her committee members.

VAN BUREN TOWNSHIP IMPROVEMENT: GARBAGE AND MIXED REFUSE SYSTEM

NOTICE IS HEREBY GIVEN:

1. The Township has authorized the creation of a special assessment district pursuant to Act No. 116 of the Michigan Public Acts of 1923, as amended, for the purpose of providing public service by establishing and maintaining a garbage and mixed refuse system for the collection and disposal thereof to serve residents in the area described below as appears more fully from the resolution establishing the same, which was adopted on April 22, 1975 (a copy of which is available for public inspection at the Township Offices), (hereinafter called "the Improvement"), which area is located in the Township as follows: In Section 14

Van Buren Estates Phase No. 1 Lots 1 thru 302
Van Buren Estates Phase No. 2 Lots 303 thru 445
Van Buren Estates Phase No. 3 Lots 446 thru 556
Van Buren Estates Phase No. 4 Lots 557 thru 722

2. The obligation of the Township annually for the Improvement is \$3,610.00, as appears more fully from the plans and estimate of cost for the Improvement which are on file with the Township Clerk for Public examination. Further information on the Improvement can be obtained from the Township Clerk.

3. The Township Board has determined that the whole of said obligation shall be defrayed by special assessments against the property specially benefited thereby and has tentatively determined that the area specifically benefited by said obligation is, and tentatively designated as the Special Assessment District for the Improvement, the following lands located in Van Buren Township, Wayne County, Michigan: In Section 14

NOTICE TO SUMPTER TOWNSHIP WATER CUSTOMERS

THE WATER MAINS IN SUMPTER TOWNSHIP WILL BE SHUT OFF PERIODICALLY FROM 8:00 P.M. THROUGH 3:00 A.M., STARTING ON MAY 1, 1975, THROUGH MAY 31, 1975. THIS IS TO TEST THE WHOLE TOWNSHIP WATER MAINS FOR POSSIBLE LEAKS WE HAVE LOCATED THROUGHOUT THE TOWNSHIP.

PLEASE TRY TO STORE UP ALL THE WATER NECESSARY FOR USE, DURING THESE TESTING HOURS. IT IS OF GREAT IMPORTANCE THAT THIS WORK BE COMPLETED, DUE TO THE HIGH RATE OF WATER WE ARE LOOSING EVERY MONTH, IN WHICH WE STILL HAVE TO PAY FOR.

THE LONGEST THAT THE WATER WILL BE SHUT OFF IS ABOUT ONE HALF (1/2) HOUR AT A TIME, THEN IT WILL BE TURNED BACK ON AND TURNED OFF AGAIN FOR ABOUT THE SAME TIME AS BEFORE.

PLEASE BEAR WITH US DURING THIS TESTING TIME, AND TRY NOT TO CALL THE FIRE OR WATER DEPARTMENTS UNLESS IT IS VERY NECESSARY OR AN EMERGENCY.

THANK YOU,

SUMPTER TOWNSHIP WATER DEPARTMENT OF FICES
BELLEVILLE, MICHIGAN

At commencement

Residents receive EMU diplomas

Eastern Michigan University (EMU) has conferred degrees on 1,397 seniors and graduate students at its 122nd Spring Commencement, held recently. The graduation exercises were at Bowen Field House on the EMU campus.

Sciences led in baccalaureate degrees with 470 while the College of Education awarded 361 degrees. Former astronaut James A. McDivitt delivered the commencement address on "Are things Different Today?" and received the honorary degree of Doctor of Laws. His citation emphasized "inspirational dedication and meritorious service to your country."

Area residents who received degrees included Belleville residents Charles Brabb of 20749 Martinsville Road, bachelor of science; Linda Clayton of 101 Bedell Road, bachelor of science; Nancy Gordon of 46070 Lake Villa Drive, bachelor of science; Donna Grzesik of 41358 Ecorse, bachelor of business administration;

Rebecca Henning, 481 High, bachelor of arts; Marcia Johnson of 46 Country Club, bachelor of science; Janine Keff of 48651 I-94 Service Drive, Knob-On The-Lake, bachelor of science; Margaret Mayol of 200 Henry, bachelor of science; and Jerry Meade of 321 Main, bachelor of science. James Morgan of 16720 Martinsville, bachelor of science; Theron Ody of 9531 Van Buren, bachelor of

business administration; Marie Parker of 9590 Hamilton, bachelor of science; Paul Satlowski of 41810 Pierce, bachelor of science; Sandra Sotnick of 5 Locust, bachelor of science; Douglas Stafeld of 41275 Riggs, bachelor of science; Vicki Wany of 49470 Geddes, bachelor of science; Michael Warblow of 45315 Van Born, bachelor of science and Robert White of 15985 Elwell

Road bachelor of science. Romulus-residents to graduate were Warren Bonam of 6049 Wayne Road, bachelor of science; Thomas Janack of 37051 Ferndale, bachelor of science; Kathleen Takacs of 6790 Merriman No. 196, bachelor of science. The sole New Boston graduate was Richard Keuhnel of 33008 West Rd., bachelor of science.

Districts get special ed tax

Thirty-six Wayne County school districts, including Van Buren and Romulus, soon will be receiving the second payment on the 1-mill special education tax approved by county voters last August 6.

Dr. William Simmons, intermediate district superintendent, has insisted that Wayne County residents agreed to provide the money for special education students and they will "get every dollar plus every cent that dollar earns in interest."

Jaycees elect officers' slate

The Van Buren Jaycees have elected new officers for the next year. Chosen president for the year is Harold Ackron, while LeRoy Carver was chosen first vice-president and Bill Wolters second vice-president.

Secretary for the year is Sherman Elliott and the treasurer-chaplain is Jerry Williams. New directors are Ramson Young and Ken Barks. James Callow will be handling the public relations for the club.

Kuchta nets honor

Sentry Insurance, a mutual company, has reported that a Belleville area sales representative, Steve Kuchta, for the fourth time has qualified as a member of the coveted Sentry Insurance Triangle Club.

Four new members took their oath as Jaycees at the April 17 election meeting. They were Wayne Champagne, Jim Kovalick, James Callow and Jeffrey Peters.

"M-Night" is scheduled for 7:30 p.m. tomorrow at the Old Township Hall on Main Street at Fourth Street in Belleville.

Speakers at the night will be state Jaycee Vice-President Ron Tyszkiewicz of Garden City and Westland Jaycee President Charles Pickering.

All area men interested in the Jaycee movement are invited to attend the "M-Night" meeting to learn more about the organizations.

Doctor enrolls in club

A Belleville physician, Dr. Ramesh K. Vaidya, has been installed as a member of the Michigan Association of the Professions according to the Association's secretary Harry R. Ball.

The ceremony took place last Monday. Membership in the organization is selected from the leadership of the eleven major professions in Michigan.

BPW Club plans meet

The Belleville Business and Professional Women's Club will meet at 6:30 p.m. Monday at South Junior High School in Belleville. The meeting will include the installation of new officers, singing by the Choraliers and the Beauty Shop Quartet of North Junior High School and a skit presented by Girl Scout Cadet Troop 446.

CALCULATING CALVIN'S CORNER.

World Travel is flying high. Hi, ya. It's your super-snooper friend, Calculating Calvin, with more facts and figures about Triple-A. This week's topic: World Travel. Did you know Triple-A's World Travel Department is the number one world travel organization in Michigan? Last year it sent 266,000 people scampering happily all over the globe. And 75,428 people bought their airline tickets through their nearby Triple-A office.

Free travelers checks. Triple-A started selling "no service charge" travelers checks to its members June 1. By the end of 1974, total membership savings added up to a whopping \$80,000. But get this: In 1975, expected membership savings should amount to (oh, wow!) over \$200 thousand!

Latest on the world front. Interesting. World Travel reports European travel down 30% last year. Due probably to spiraling inflation on that continent. Hawaiian tours, however, up a dramatic 45%. Caribbean island trips and cruises up 20%. More expensive travel packages have given way to lower price charter and group tours. (Did you know Triple-A World Travel is the only travel agency in Michigan that can arrange an international driver's license for you?)

Up and coming. A weekend trip by train to Toronto arranged by Triple-A World Travel. Comradship and carousing there and back. Also includes lodging for three nights all from only \$89. Choo-choo leave every week. All aboard! Call your Triple-A office for details.

Super-snooper snoops out the best. I think the best thing about Triple-A's World Travel Department is a real, honest-to-goodness, warm-hearted concern for helping people—the kind of concern you're simply not going to be able to find someplace else. They're really top professionals who sure know how to save you money and grief on such things as foreign currency exchange.

That's all for now, folks.
Calculating Calvin, signing off.
Hope you'll join us soon.
